

Drill Hall Layout Examples

Below is a floorplan of the hall, and some examples of the layout of seating and tables we can provide. The hall is very versatile so feel free to let us know how you would like the hall laid out for your event.

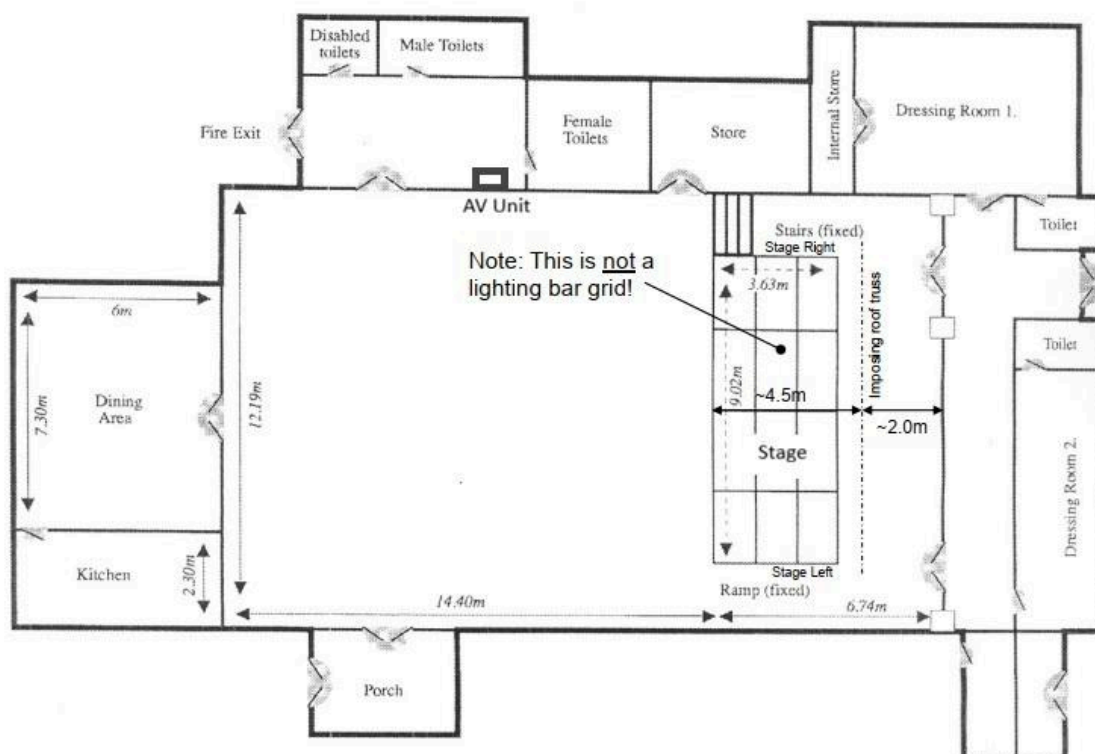

Some of the hall's features:

- A projector and screen for film nights or presentations with surround sound capability*
- An extensive Audio/Visual setup to play media from laptop/USB drive/downloaded media*
- Wireless microphones and wireless head mics available*
- Mixer/speakers for performers/DJs*
- Stage Lighting*

**There are additional charges for AV equipment. For a full guide of what we have available please see the Tech Pack available on our website:*
